11) The Dept. has undertaken to supply timber to the
Gold fields & free transport of timber of this purpose
should be permitted, except during the time H.E.
stays at the Shooting Camp. There is a stock
of about 10000 Cfs. of timber near Karapur but
on the other side of the river, & I want no restriction
placed on moving this timber to Mysore.

13) There are two references regarding road
one from the Conservator recommending ^{complete} closing
the road for cart traffic except when the permission
of the S.D.O. is obtained from the Chief Engineer
the prohibition of timber traffic on the road from
Tegga to the Government of India

14) With regard to the first proposal, ^{cart} traffic
cannot be stopped completely ~~as~~ all the goods
on the road might be required by the Conservator
the road may be prohibited between 6 P.M.
& 6 A.M. for all kinds of traffic and all the goods
on the road may be taken to the place in
proposed in the days of the road

15) With regard to the Chief Engineer's proposal
I do not think it is the Conservator
proposed to place no restriction on timber
traffic can be accepted as it
will be impossible for the road to be closed

To

The Chief Secretary to Government,

B a n g a l o r e .

Sir,

I have the honour to inform you that, in connection with the Viceregal Visit to the State during the ensuing cold weather, -- special repairs to the Mysore - Manantody road in the Mysore --- District have been started. If country carts heavily laden with timber are allowed to pass over this bit of the road, the consolidation is likely to be interfered with and ruts and pits will also be again formed. During my personal interview with the Private --- Secretary to His Highness at Mysore last week. I discussed the -- situation with him and he was of the same opinion. He also desired me to address you in the matter of issuing necessary orders for the closing of the Mysore-Manantody Road for timber traffic for about two months with effect from 20th September 1923 till the viceregal Visit is over as was done previously in connection with H.R.H. the Prince of Wales Visit. I would be obliged if very early action is taken for closing the road to timber traffic *from 20th September*

I have the honour to be,

Sir,

Your most obedient servant,

R. R. Deshkar

Ag. Chief Engineer of Mysore
